

P06-a_First Step To Armageddon.

UN Security Council Resolution 2334 – December 23, 2016.

“1. Reaffirms that the establishment by Israel of settlements in the Palestinian territory occupied since 1967, including East Jerusalem, has no legal validity and constitutes a flagrant violation under international law and a major obstacle to the achievement of the Two-State solution and a just, lasting and comprehensive peace;”

There it is! Item number one of UN Security Council Resolution 2334 passed on December 23, 2016 clearly states that Israel’s presence in east Jerusalem is illegal and is a “flagrant violation” of international law.

The prophecy of Zechariah 14:2-3 foretells the invasion of Jerusalem by the international forces of the United Nations to enforce Resolution 2334:

“For I will gather all nations against Jerusalem to battle; and the city shall be taken, and the houses rifled, and the women ravished; and half of the city shall go forth into captivity, and the residue of the people shall not be cut off from the city. Then shall the LORD go forth, and fight against those nations, as when he fought in the day of battle.”

The prophecy of Revelation 16:16 identifies this invasion of Jerusalem by all nations as the Battle of Armageddon:

“And he gathered them together into a place called in the Hebrew tongue Armageddon.”

Make no mistake—the world took its first fateful step toward the Battle of Armageddon on December 23, 2016!

Will Armageddon happen today or tomorrow or next month? No. The fulfillment of the Armageddon prophecy is at least seven years away. It could be eight, nine or ten years. But, December 23, 2016 will forever go down in infamy as the day the world took the irrevocable step toward the eventual invasion of Jerusalem.
